Non-substantial changes can also be made without prior notice. Please register early for the events to ensure your participation.

PLEASE NOTE THAT THERE ARE PARALLEL EVENTS AND YOU HAVE TO CHOOSE.

All participants in the cultural and scientific framework program must ensure that they can provide the regulations and evidence applicable in Croatia - regarding the corona pandemic - (presentation of valid vaccination certificates).

If participation in the events must be refused due to missing proof (also in the case of diving licenses), the participant has no right to a refund of the participation fee paid. However, this does not affect the reimbursement of participation fees if DEGUWA must cancel the event or if the number of participants (especially for diving trips) is too low.
