the conference, the supporting program and required proof (Corona) and diving certificates

Scientific and supporting program

All current information on the cultural and scientific supporting program can be found on the registration form, the separate detailed description and on our website: <http://www.deguwa.org>. Non-substantial changes can also be made without prior notice. Please register early for the events to ensure your participation.

All participants in the cultural and scientific framework program must ensure that they can provide the regulations and evidence applicable in Germany - regarding the corona pandemic - (presentation of valid vaccination certificates). If participation in the events must be refused due to missing proof (also in the case of diving licenses), the participant has no right to a refund of the participation fee. However, this does not affect the reimbursement of participation fees if DEGUWA must cancel the event or if the number of participants (especially for diving trips) is too low.
